

## Oh Poor Mr. Trump

Oh poor Mr. Trump,  
You're a loser indeed,  
You have cash up the wazoo,  
Because of your greed,  
You're an unfaithful husband,  
And a failure for sure,  
With multiple bankruptcies,  
Others had to endure,  
So, please give me a break,  
You're not what you claim,  
And your faults are a plenty,  
But it's others you blame,  
Your message is divisive,  
You're a bully as well,  
If you don't change your ways,  
You'll end up in...well,  
...not a very nice place.

: -)
